Modern Mysteries of the World
Author: Janet And Colin Bord
Publisher: Guild Publishing
Edition: Very Good
Jacket Condition: Binding: Hardcover
Pages: 432
Volumes:
Description: Previous owners name to first fep. Strange events of the 20th century. Research shows that all countries encounter the paranormal in one form or another, whether in the shape of religious visions, like the dance of the sun, at Fatima in Portugal, or the winged people, like the Mothman of West Virginia or the bird woman of Vietnam, or of unexpected objects, such as frogs, fish, ice bombs, beans, meat and blood, golfballs, slime falling from the sky.

Mysteries Solved and Unsolved
Author: Harold T. Wilkins
Publisher: Odhams Press Limited
Edition: Good
Jacket Condition: Binding: Hardcover
Pages: 319
Volumes:
Description: Boards are slightly marked. Solving the great Tichborne mystery. Few of the present generation, exclusive of legal historians and indeed, not many of them know the inside of this mystery, famous or notorious, of more than eighty years ago. For more than three quarters of a century, a pretty ghastly skeleton has been grinning behind the oak and mahogany panels of the ancestral cupboards of one of the oldest and wealthiest of English aristocratic houses.

Classic Tales of the Supernatural
Author: Robin Brockman
Publisher: Arcturus Publishing
Edition: Good
Jacket Condition: Binding: Soft Cover
Pages: 519
Volumes:
Description: Slight browning to fep. Spooks and inexplicable things that go bump in the night have long exercised creative imaginations around the world. Included in this collection are tales from the heyday of supernatural fiction, when the great names of literature contributed to the genre as a matter of course. You will also find here forgotten gems by unjustly neglected authors, who deserve this opportunity to find a new readership. To complement this wonderful array of writing talent is a series of vivid, atmospheric drawings. So settle back, and let these Classic Tales of the Supernatural guide you through the perils of the unknowable.

South American Mythology
Author: Harold Osborne
Publisher: Paul Hamlyn
Edition: Book Size: 280mm x 210mm
Condition: Very Good
Jacket Condition: Hardcover
Description: The way the great Inca empire fell to a handful of Spanish soldiers is a well known story, one of history's great adventures and, on the surface, an epic example of the encounters between white Christians and coloured pagans during the age of discovery. this series presents the mythology of the worlds peoples, a subject of vast range and diversity. Carefully chosen Authors and lavish illustrations. (each volume has over 100 black and white illustrations and 24 pages of colour.) Takes the reader into a fascinating world which contains the explanation of so much of mans behavior and so many of his fears, his superstitions and tabboos, his very instincts, myth is often an attempt to articulate these and some of the beliefs which while seeming recent in time are as old as man himself.

Celtic
Author: T.W.Rolleston  
Publisher: Senate Books
Edition: Book Size: 215mm x 135mm  
Condition: Good  
Pages: 456  
Volumes:  
Description: General wear to book. Renowned for their fierceness in battle, for the intricate beauty of their art and for their independence, the Celtic people of the British Isles were equally well known for their love of story telling. Their tradition was essentially an oral one and most of their favourite stories were not written down until many centuries after they were first told. With over 40 delightful illustrations, Celtic Myths and legends provide an immensely readable introduction to ancient Celtic tales.

Mythology. An Illustrated Encyclopedia
Author: Richard Cavendish  
Publisher: Orbis Publishing
Edition: Book Size: 290mm x 230mm  
Condition: New  
Pages: 303  
Volumes:  
Description: Many Myths are tales of gods ancestors and supernatural beings of the distant past and of how things came to be as they are. Everywhere in the world they have a profound influence on human attitudes and behaviour. They contain a society's vision of its past, present and future, Myths are an integral part of every society, including our own. The text is accompanied by maps which show the locations of Myths and the spread of Mythological systems. Over 400 illustrations, many of them in colour, demonstrate Myths brought to vigorous life in art, and range from some of the worlds most famous paintings and sculptures to many never published before. Mythology comprises a unique pictorial record of objects, places and shared experience.

Condition: Front cover has small edge piece missing. Selections from Celtic legend scholarship and story. From the rich array of history, Religion, Myth and story that make up the Celtic tradition, distinguished Arthurian scholar John Matthews has sought out lesser known sources. The Celtic reader presents a broad based collection of materials dating from the earliest eras of the written word to nineteenth and twentieth century scholarship and investigation. The lore, life and literature of the Celtic world is vividly described in this collection from the Druidic priesthood and rites to the bardic heritage, from the distant origins of the Celtic peoples to the colour and drama of their culture. Tales of adventure, magic, Mystery and wonder from pre Christian Ireland and Authurian Britain interweave with ancient fables. Taliesins poetry, excerpts from the Mabinogion, Historical investigations into the ancient past and modern adaptions of ancient themes.

Enchantica, Wrath of the ice Sorcerer
Author: Andrew Bill
Publisher: Holland Studio
Edition: Very Good
Jacket Condition: Hardcover
Pages: 85
Volumes: 1
Condition: The land of Enchatica is shrouded in cloaks of mystery. Only those who can fan the mists with the breath of imagination, may step through the veils and reach her enchanted shores. Do you know Enchantica? You are already there. From the high throne of power, four mighty wizards rule the passing of the seasons. So it has been in the land of Enchantica since the dawn of time. Then comes the great change. The evil winter wizard commits his grand betrayal and Enchantica is transformed into a world of ice. Jonquil the banf and his terragon, Rattajack are chosen by fate to be the heroes of the day and the awesome task of restoring the balance of power falls to them. An evil army of trolls, dragons, hobgoblins, demons and witches stand in their way. All the servants of the dark wizard wage war on the two companions. With only their courage and their wits to aid them, the banf and the terragon march to face their adversaries.

Dictionary of Superstitions. January 6, 2014 by Michael Gallagher Leave a Comment. Today’s Featured Kindle Book of the Day is Dictionary of Superstitions, by David Pickering, is regularly $4.89 but has been discounted to just 99 cents today in the Amazon Kindle store. This book has received an average user rating of 4.4 out of 5 stars based on 18 customer reviews. Category: Non-Fiction. Here is the book’s description from the Amazon website: Available for the first time as an ebook, this acclaimed A-Z dictionary is a comprehensive and up-to-date guide to the superstitions, old and new, of the Definition of superstition noun from the Oxford Advanced Learner’s Dictionary. superstition. noun. noun. Most superstitions are centuries old, and British and American people have many in common. People are also interested in fate (= a power that controls everything) and in knowing what will happen to them in the future. Most people know which sign of the zodiac they were born under, and read their horoscope or stars in magazines, though only a few take it seriously. There are many well-known omens (= signs) of bad luck, some of which have a religious origin. The number 13 is considered unlucky because there were 13 people (Jesus and the twelve Apostles) at the Last Supper. Tall buildings often do Books.google.kz - Is it good or bad luck to mention a pig to a fisherman? What does it portend when you break a double-yolked egg? Or when you witness a headless shadow? How many frogs do you need to cure whooping cough? And what's all this about black cats? Ranging from the familiar to the bizarre, and including everything
According to _A Dictionary of Superstitions_, the answer to that one goes back to 1507. The book is filled with page after page of the interesting stories behind close to any superstition one could imagine. As its title suggests, the superstitions are presented in a dictionary format, something that I found very helpful. The definitions include—to different extents—histories, dates, publications, locations, and sometimes even related poetry or bits of songs. There are fifteen different entries for "Eggs," if this gives you any idea as to the scope of book!
