Jean Baudrillard. Fragments presents a set of brilliantly intriguing interviews with Jean Baudrillard whose work today occupies center stage in the analysis of consumerism, terrorism, and contemporary culture. In these frank discussions with François L'Yvonnet, Baudrillard reveals for the first time in detail the thinkers who have been the dominant influences on his work during his career. Instead of examining his work as a project of intellectual accumulation, he challenges all the major interpretations of his work by suggesting he has always adopted an anti-system, anti-totality strateg
