The prepositional idiom I used was *in the account of* which meant *because of*. There are hundreds of idioms which begin with prepositions in English. I will share just a few of them. At any rate. The Prepositional Idioms. A prepositional idiom consists of a verb followed by a preposition, but unlike an ordinary prepositional phrase, it forms an expression with a nonliteral or idiomatic meaning. Some grammarians consider the prepositional idiom a type of a phrasal verb, others call it the phrasal verb itself, and still others call it a verb phrase. The English language actually has thousands of prepositional idioms or phrasal verbs and there’s really no way for us to know all of them all at once. These prepositional idioms typically begin or end with a preposition. Prepositional idioms can function adverbially, adjectivally, or verbally and may come at the beginning, middle, or end of a sentence. For example: *Turn down the volume, please.* (verbal idiom at the beginning of a sentence). Certain idiomatic prepositional phrases can behave both adverbially and adjectivally. For example, look at how the prepositional idiom in depth is used below: *He researches rainforests in depth.*
